

**NOTICE OF SOURCE OF ADDITIONAL RECOVERY AND REQUIRED ACTION**  
**BEFORE FEBRUARY 28, 2014**

**YOUR FAILURE TO ACT WILL RESULT IN THE LOSS OF YOUR ABILITY TO**  
**RECEIVE COMPENSATION FROM MADOFF VICTIM FUND**

We are co-lead counsel for the class of investors in the Fairfield Sentry Limited, Fairfield Sigma Limited, Greenwich Sentry, L.P., and Greenwich Sentry Partners, L.P. funds (collectively, the “Funds”). In that capacity, we have been litigating a class action in federal court in New York on behalf of investors in the Funds, *Anwar v. Fairfield Greenwich Limited*, Master File No. 09-cv-118 (Marrero, J.) (“Class Action”).

We write to advise all investors who lost their own money in the Funds to submit claims to the **Madoff Victim Fund** by the **deadline of February 28, 2014**. The Madoff Victim Fund consists of **over \$4 billion** gathered to date through various criminal and civil forfeiture actions brought by the United States Attorney. The Madoff Victim Fund will pay recoveries directly to qualifying ultimate investors whose assets came into Madoff Securities directly or indirectly through feeder funds, investment partnerships, bank commingled funds, family trusts or other pooled investment accounts.

Please note that the Madoff Victim Fund is **entirely separate from the Class Action in New York**. Therefore, even if you have submitted documents and filed claim forms in connection with settlements in the Class Action, **you are still required to fill out the Madoff Victim Fund claim form and submit documents directly to the Madoff Victim Fund**. In order to submit a claim, you should go to the website for the Madoff Victim Fund to obtain a claim form and instructions, which can be found at: <http://www.madoffvictimfund.com/>

Only individuals who lost their own money are eligible to receive distributions from the Madoff Victim Fund. The Madoff Victim Fund’s website states that “pooled investment vehicles,” such as investment partnerships, banks, or asset managers who invested other people’s money can assist the underlying investors in making claims by filing a Form PV **on behalf of its investors**. However, none of these “pooled investment vehicles” are themselves eligible to make a claim, and the actual investor must ultimately sign the claim on his or her own behalf in order to obtain a recovery. Individual investors whose money reached Madoff through investments in feeder funds must use Form IND to make their claims (see website for more information). The Madoff Victim Fund will pay individual claimants directly, rather than through intermediaries. Further details are on the website <http://www.madoffvictimfund.com/>

**You should submit claim forms** to the Madoff Victim Fund at the following address:

Madoff Victim Fund  
PO Box 6310  
Syracuse NY 13217

If you are using an express delivery service and cannot send your claim form to a PO Box, you must send your claim form to the following address:

Madoff Victim Fund  
c/o RCB Fund Services  
17 Technology Place, Suite 1  
East Syracuse, NY 13057

If you invested in the Funds and lost your own money, you are likely eligible to obtain some recovery from the Madoff Victim Fund **if you file a properly supported claim form**. We are available to answer questions regarding the Madoff Victim Fund, but please note that **co-lead counsel and Rust Consulting are not responsible for administering the Madoff Victim Fund**. All investors are responsible for submitting their own claim forms and supporting documentation to the Madoff Victim Fund.
